This is my geography teacher Misses Blanch. Usually, she's rather kind but I fucked up the last test... was late two times in a row... and skipped one class altogether... Now I'm in detention...

I'm sure you know why you are here.

Now I totally deserve to be here in detention... It's only fair... but if I have learned one thing these past months... **life isn't fair!** I've been fighting for my life in a worldwide bender war while one after another the people around me just used me to get what they want?

Mom

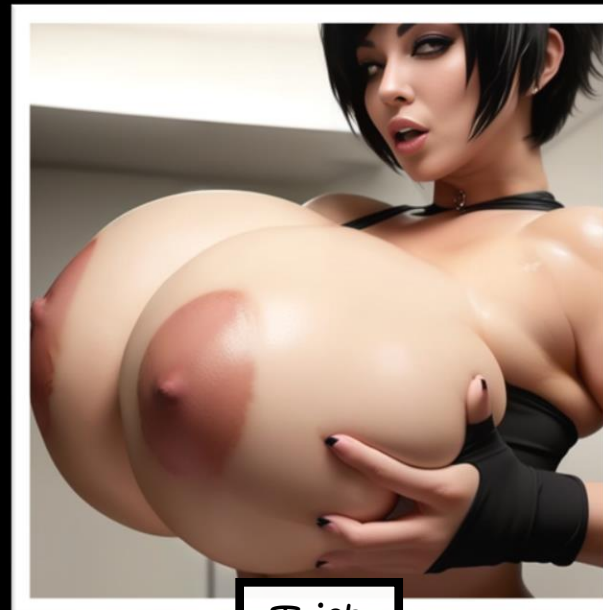

Sis

I've been used most of my life, Cause I'm kind-hearted and friendly and shy...

GF

Trish

Previous conquests in battle

But where did that get me? From one life-threatening situation to another! No-no! The old me is over! Those with power take what they want! And I am one of the thousand most powerful beings on this god-forsaken planet! **I AM A BENDER!**

Mira

And if I have to fight and probably die in this god-damn war... then at least I will live my life, what little is left of it, to the fullest!

I'm sure you know why you are here.

**Absolutely.**  
I'm here for my awesome breast expansion powers.

Excuse  
me?

A woman with long brown hair and green eyes is wearing a white short-sleeved button-down shirt under a dark grey corset. The corset has a large, deep, heart-shaped cutout in the center, revealing her breasts. She is also wearing a dark grey belt with a gold buckle. Two speech bubbles are overlaid on the image. The one on the left says "You heard me. And you should feel the changes by now I'd say." The one on the right says "I don't know what kind of game you are playing here but...". There are also two sets of red curved lines on her arms, one on each side, pointing towards her chest.

You heard me.  
And you should  
feel the changes  
by now I'd say.

I don't know  
what kind of  
game you are  
playing here  
but...

Moan

Lost in lecturing me Misses Blanch only now realizes what is going on and rips off her clothes as they start to become unable to hold that ever-expanding bust.

Oh, my god!  
What have you  
done to me?!

A woman with long brown hair and large breasts is shown from the chest up. She has her hands behind her head and a wide-eyed, shouting expression. A speech bubble next to her head contains the text "Undo this at once!". The background is a chalkboard with some faint, illegible writing.

Undo this  
at once!

A woman with long brown hair and large, prominent breasts is shown from the chest up. She has a surprised or excited expression with her mouth open. Her forehead is decorated with colorful, multi-colored sparkles. The background is a wooden structure, possibly a staircase or a wall. Two speech bubbles are overlaid on the image.

But I didn't do anything. *You have always had breasts this huge.*

What nonsense are you...

*You have always*

*had breasts this huge!*

Memory Bending in progress...

A photograph of a woman with long, dark brown hair and light brown eyes. She is wearing a black halter-neck top. Her breasts are notably large and are the central focus of the image. She has a neutral expression and is looking directly at the camera. In the top left corner, there is a white speech bubble with a black border containing text.

Of course, I have  
always had these  
breasts. But why  
am I showing  
them to you?!

*We are lovers.*

*We are having a secret affair.*

*We usually meet in class so you can suck me off.*

Awww. Don't be  
so serious about  
it. I wanted to do  
a strict teacher  
routine today.  
**\*giggle\***

A woman with long, wavy brown hair and a bright smile is shown from the chest up. She is unclothed, displaying her large, light-skinned breasts. The background is a simple indoor setting with a white wall and a doorway. A speech bubble is positioned to the left of her chest.

But I can't  
keep a serious  
face when I  
have you leer  
at my boobs  
like that.  
**\*giggle\***

A photograph of a woman with long, light brown hair, smiling broadly. She is wearing a purple spaghetti-strap top. Her breasts are notably large and are the central focus of the image. A white speech bubble with a black outline is positioned to the left of her chest, containing text.

You really like my  
gigantic boobs,  
don't ya? I'm  
glad!

You are  
Asian.

Huh?

You've  
always been  
Asian.

Duh!

Don't  
make this  
weird.

I've been  
looking forward  
to sucking you  
off the whole  
day!

Come on. I know  
you want to stick  
your hard cock  
between these.

Taste Bending  
activated...

*You love the*

*Taste of my cum,*

*You are addicted to it!*

*lick  
lick  
slurp*

O.M.G.!!  
I love the  
taste of your  
pre cum!

I can't wait  
for the real  
thing to pop  
out!!

Misses Blanch did not have to wait long as I soon erupted in her cleavage covering her upper body in sticky white. She squealed in delight as the first squirt hit her face.

Once I was done cumming, Misses Blanch first used her fingers to put all the cum from her face into her mouth before she meticulously started to lick her breasts clean - Careful not to miss any drop.

**Wow!**  
Your load is  
incredible!

**And so  
delicious!**

But everything good has to come to an end... my powers are not omnipotent... I'm not god... yet. Others would notice the changes...and so, with a heavy heart, I started to turn Miss Blanch back once she had finished cleaning herself up...

*You always had DD-Cup breasts!*

So... I hope  
you enjoyed  
that as much  
as I did.

You aren't  
Asian.

Huh?!

You never  
were!

Some stuff I decided to leave in her mind... like our affair... and her addiction to my cum. \*chuckle\*

I hope we can do this again.

Of course, Misses Blanch!

After we have redressed I address the issue of my grades, but it seems to be settled.  
\*chuckle\*

So... Miss Blanch err...  
About my grades...

**Please!** I told you so many times! Call me Jenny! And don't worry about your grades.

As long as you supply me that delicious cum your A+ is ensured, lover boy!

Hello, Hexxet here,

After two life-threatening battles, it was time for the Boob Bender to relax with this filler-kind-of chapter. Also, I felt like doing a more easy chapter to get back into the series after a bit of a break ;).

The next chapter will be equally themed though the usage of his powers won't go unnoticed, and the boob benders next battle will come in the chapter after that (If everything works out as planned) 😊.

More PAs and of course my regular 3D Comics can be found on my Patreon and in my shops. (If you are only into the PAs you probably want to visit the shops, not the Patreon). Some free PAs can be found on my homepage.
